Maven Airlines

Average Arrival Delay
15.09

Average Departure Delay
14.71

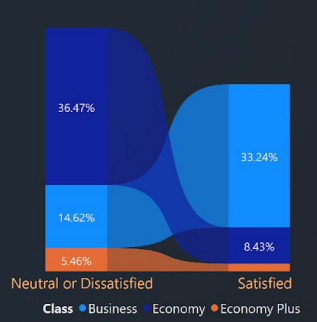

% of Satisfaction
43.45%

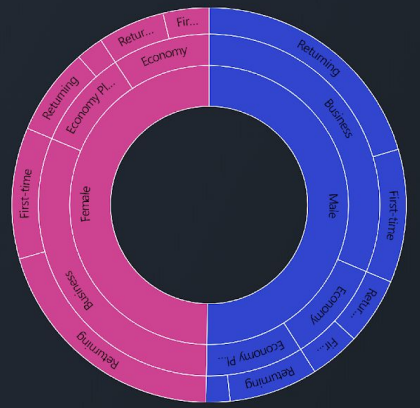

Average Ratings
3.24

Recomendations

- 56.55% passengers are Neutral or Dissatisfied.
- The airline must focus on Wi-Fi Service, Online Booking Portals, Gate location, Departure and arrival convenience and Food & Drinks.
- Most of Dissatisfied passengers are travelling in Economy Class.
- Concentrating on Economy passengers will help to attract more passengers.
- Reducing Arrival and Departure Delay will increase the passengers Satisfaction.
- Satisfying First-time customers will increase chance of return in same airline.
- Developing apps & online platforms will increase the satisfaction of passengers.
